A Beginner's Guide to Overlockers, Sergers & Coverlockers Clementine Lubin boken PDF

Learn how to get the most out of your machine with this comprehensive and easy-to-follow guide. Full of practical advice to help you master all the features and applications of your overlocker (serger) and coverlocker, you will learn how to handle your machine using its more complex features and will soon be finishing hems like a professional sewer. There are 50 beautifully photographed step-by-step lessons to guide you through all the skills you need to get started, and 15 lovely projects to make, to apply your knowledge and help you realise your sewing goals. This book includes full-size, fold-out patterns and is the essential guide for all aspiring sewers. It is a fantastic resource for those new to machine sewing and a great source of inspiration and ideas for more experienced sewers, guiding you steadfastly to sewing success.
